CREATED4PURPOSE

Created4Purpose.org is a platform that hosts podcasts for the believer to walk victoriously through the trials of life, and equipping those who are kingdom-preneurs to have success in their business. Created4Purpose was birthed through Michele Riley's compassion to see people walk in their purpose using their gifts and talents as they pursue destiny in their calling.

Michele Riley knows first hand of the struggles that many are going through, from addiction to domestic violence, parenting, building a business and marriage, and she makes a commitment to speak to women where they are to equip them to where they are destined to be.
